Mould Inspections

Why use Weis Contractors to do your mould inspections?

1. We are the only Mould Remediation Business that holds a **QBCC License** and are **trade qualified Painters and Decorators** and
2. We are **qualified Engineers** with a speciality in **Surface Finishes**.

In short this means your are getting your inspections done by an **Trade Qualified Engineer and QBCC Licensed Painter**.

Weis Contractors offers Mould inspection's of your property to find out the cause of your mould problems. Mould is visually detectable by the smell and signs of water damage on walls or ceilings. It can and often does grow in places that are normally invisible to the human eye. It can be found behind wallpaper or paneling, under ceiling tiles, on the back of what may seem like a dry wall, even underneath carpets or carpet underlay. Unseen, cracked piping in your walls may also be a source of mould, since the leak will be causing moisture where it can't be seen.

Just another reason to consider getting a Mould inspection done.
